Main Street Lorain

People join community-based organizations like Main Street to support the Mission and work of the organization.

Being a member of Main Street Lorain is a way for businesses, organizations and individuals to support the work that is being done in Lorain to make our downtown inviting and vibrant for residents, business owners and visitors alike.

Joining Main Street Lorain today makes you a “**charter member**”, one of the first to show support for this fledgling organization and to be part of our initiatives to drive people to our downtown district.

In addition, due to the limitations on gatherings because of COVID-19, those who join Main Street Lorain in 2020 will have their membership extended through the end of 2021. We hope to be able to offer more events and promotions once we are through the pandemic.

Our efforts now are being directed to creating a solid infrastructure for our organization, outfitting a Main Street Lorain Welcome Center at Ariel on Broadway, and continuing to serve the downtown businesses as best we can. Your membership dues provides the funds we need to do this work.

We are grateful for your confidence and willingness to support us as we launch this effort.
